Inpatient Accounts (Including Day Procedures)

No Gap Billing

This practice bills "No Gap" fees directly to your Health Fund for all Surgical and Endoscopic Procedures. If your Health Fund does not participate in "No Gap" billing an account will be forwarded to you so that you can claim directly from your Health Fund. If you are uninsured please ask for an estimate of fees.

Excess Payments

Some Health Funds have an excess which is payable on your admission to hospital. Please check with your Health Fund if you have an excess to pay.

Other Charges

Whilst we endeavour to keep your out of pocket expenses to a minimum, additional charges may be payable, these include gap payments to Anaesthetists and Surgical Assistants (where applicable). Pathology, Radiology and Pharmacy charges may also be incurred during your hospital stay.

Please feel free to discuss your billing issues with our staff.
