

Your admission process

for Warringal Private Hospital

Our objective is to ensure that your admission runs smoothly, and that everything is ready and organised for you when you arrive at reception on the day of your admission. In order to achieve this we would like you to let us know as soon as you know that you are coming to hospital.

You can do this by:

1. Visiting us online at; www.warringalprivate.com.au and completing the online admission form. This takes about 10 minutes, and you will receive an email confirmation that we have received your information.

or

2. Obtaining a pre-admission form from your doctor's rooms, completing and forwarding it to the hospital by fax, or using the supplied reply-paid envelope.

You will be contacted by the hospital if we need to clarify an issue related to your personal health or your health fund cover.
